Sir:

It is hereby requested that a Certificate of Correction under 37 C.F.R. §§ 1.322 be issued for the above-captioned United States Patent. This Certificate of Correction is being requested due to mistakes which appear in the printed patent. These mistakes were made by the U.S. Patent and Trademark Office.

Specifically, the printed patent contains the following errors for which a Certificate of Correction is respectfully requested:

On the front page, under the PTA Notice, above Section (21), the following should be inserted:

--This patent is subject to a terminal disclaimer.--

The Terminal Disclaimer, a copy of which is enclosed, was filed on September 28, 2005. This correction is requested to correct a typographical error made by the USPTO.

This correction is requested to correct a typographical error made by the USPTO.

In col. 35, line 39 (Equation (5)), "(L2)(C2)" should appear as -- (L2)(C2) --. This correction was made in the Amendment filed on September 28, 2005.

Remarks

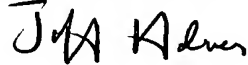

The above-noted corrections do not involve such changes in the patent as would constitute new matter or would require reexamination.

A completed Form PTO/SB/44 accompanies this request, with the above-noted corrections printed thereon. Accordingly, a Certificate of Correction is believed proper and issuance thereof is respectfully requested. No fee is required because these were mistakes of the USPTO.

The Commissioner is hereby authorized to charge any fee deficiency, or credit any overpayment, to our Deposit Account No. 19-0036.

Respectfully submitted,
